

## Phase #1: Project Idea Presentation

Schedule: **Week #1 – Week #2**

Deadline: **Mar 3, 2026**

Points: **5/75**

### Instructions

Prepare presentation of an idea of your cloud application project. Give a brief overview of proposed distribution of application functionality, used technologies, and selected cloud platform. Focus on and give a good reason of application distribution and its deployment to cloud. Take inspirations from real applications. Be creative and feel free to use IoT infrastructure of [OpenLab](#).

You will present your cloud application project idea in week #3 during practice session. **Duration of the presentation should not exceed 5 minutes and each member of the team must present a part of the presentation.**

**Upload your presentation document in PDF format.**
