

Phase #4: Implementation and Technical Report

Schedule: **Week #11 – Week #12**

Deadline: **May 14, 2026**

Points: **35/75**

Instructions

Prepare technical report in [IMRaD format](#) of your implemented cloud application project. Your technical report must include the following parts:

- Introduction: Make a case for your project.
- Methods: How did you do the project?
- Results: What did you develop on the project?
- Discussion: What does it mean?

Your report must be approx. 8 pages long and use [IEEE conference template](#).

You will present your implemented and deployed cloud application project on May 15, 2026 at 8:00 – 11:00 in A504 (Aurora) and/or OpenLab. **Duration of the presentation should not exceed 12 minutes and each member of the team must present a part of the presentation.**

Live demonstration of your cloud application (e.g. in OpenLab if applicable) is preferred. Alternative video demonstration is also acceptable. Links to deployed online application and video demonstration must be included in the technical report. Bring your own notebook for presentation, we can offer HDMI connector.

Upload your technical documentation using PDF format.
